Additional nutritional information available upon request. 2,000 calories a day is used for general nutrition advice but calorie needs vary. Our menu items may contain or come in contact with common allergens, such as milk, eggs, wheat, soybeans, tree nuts, peanuts, sesame and gluten. Gluten-Free products are made without gluten-containing ingredients. We cannot guarantee that any products are allergen-free because we share equipment to prepare, store and serve all items. Daily caffeine consumption should be limited to approximately 400mg per day from all sources. Not recommended for children, pregnant or nursing women and persons sensitive to caffeine.

Additional nutritional information available upon request. 2,000 calories a day is used for general nutrition advice but calorie needs vary. Our menu items may contain or come in contact with common allergens, such as milk, eggs, wheat, soybeans, tree nuts, peanuts, sesame and gluten. Gluten-Free products are made without gluten-containing ingredients. We cannot guarantee that any products are allergen-free because we share equipment to prepare, store and serve all items. Daily caffeine consumption should be limited to approximately 400mg per day from all sources. Not recommended for children, pregnant or nursing women and persons sensitive to caffeine.
